4. REPORTS AND ANNOUNCEMENTS

A. Mayor's Announcements

- a. Mayor Hallman stated that Tempe has 160 highly skilled young adult lifeguards who must complete 40-hour Red Cross lifeguard certification, as well as an additional 30 hours specialized rescue training. Tempe is the only municipality in the valley that requires this high level of certification. Mayor Hallman introduced **Ben Swanson** who has been a City of Tempe lifeguard for two years. Earlier this summer, an incident occurred at Kiwanis Wave Pool and Ben efficiently and calmly put his lifeguard training into action. He rescued a young girl from the water. He also introduced Ben's brother, Chase Swanson, also a Tempe lifeguard.
- b. Mayor Hallman announced that the **Tempe Adapted Recreation Program** recently received two awards for distinguished service from the Special Olympics. The “**Outstanding Local Program Award**” is presented to an accredited Special Olympics training program that exemplifies the Olympic spirit. The “**Outstanding Parks and Recreation Department Award**” is given to honor a parks and recreation department's unique contribution to the Special Olympics. The Tempe Special Olympics is comprised of the Tempe Parks and Recreation Department, the Arc of Tempe, and Tempe Union High School District. Today, the Tempe Special Olympics is coordinating East Valley golf, gymnastics, and speed skating competitions, as well as participating in a basketball and cheerleading games management team. He introduced **Linda Cano**, Recreation Supervisor, and **Yolanda Matthews**, who lead the adaptive recreation team.
- c. Mayor Hallman introduced the **Sister Cities Chinese educators from Zhenjiang, China**, who have participated in the Sister Cities professional educator exchange, and their Tempe hosts. This successful teacher exchange program has established long-term friendships and enriched participants' professional experience. He introduced **Kimberly Rice**, a special education teacher at Balsz Elementary School, who is hosting **Huang Wen**, who teaches at a middle school in Zhenjiang, and **Amy Cole**, an

Intervention Learning Program administrator for Tempe Elementary School District, hosting **Geng Hua**, a senior-middle school educator from Zhenjiang.

d. Mayor Hallman announced **Board and Commission reappointment selections.**

5. **AGENDA**

All items in these minutes identified with an asterisk (*) **are public hearing items**. All items listed on the agenda are approved with one council action. Items scheduled for Introduction/First Public Hearing will be heard but not adopted at this meeting. Items scheduled for Second Public Hearing/Final Adoption will be voted upon at this meeting.

Mayor Hallman announced consideration of the **AGENDA**.

City Attorney Andrew Ching noted that the "dba" designation on Item #27 was erroneous and should be deleted.

Motion by Councilmember Arredondo to approve the Agenda as amended (Items #20, #22, #24, #55 and #67 were removed for separate consideration). Second by Councilmember Woods. Motion passed on a roll call vote 6-0, with Councilmember Shekerjian absent.

A. Miscellaneous Items

17. Approved the Mayor's Board and Commission reappointment selections.

21. Approved **Contract #2004-31B**, an amendment to the Downtown Tempe Community Enhanced Services District contract.
DOCUMENT NAME: [20080814cdcm02.pdf](#) **COMM DEV/REDEVELOPMENT ADM (0403-01)**
22. **THIS ITEM WAS REMOVED FOR SEPARATE CONSIDERATION.**
Approved the allocation of the City of Tempe's portion of revenues from Tempe Diablo Stadium display panels per amended lease C2004-252B to Tempe Community Council 501(c)3.
COMMENTS: Allocation of funds in the estimated amount of \$150,000

Vice Mayor Ellis asked that this item be removed so that she could declare a conflict of interest.

Mayor Hallman added that this item is a unique partnership with the California Angels to allow the construction of two display panels ultimately on property that it is part of the Diablo Stadium. Council has had the discussion on the tight budget and has planned to do this for a long time. In an era where the economy is so tight, this item is proposing that the resources from the display panels go into an endowment at the Tempe Community Foundation. He would propose, given the endowment is for future purposes, that at least for this year Council approve this item with the caveat that the funds first be made available for current needs. That does not change the direction Council has given to the City Manager, but it does identify some resources immediately to cash flow to operations to fund services that are important to this community. Council could then continue to look and if additional resources that could go into the endowment are found, that could then be part of the work that the staff does for the September 11th update. We know immediately that we have identified resources that could go to current needs. He also asked that Council consider, given that these are new resources, that we restrict them so that they are not subject to administrative costs.

Motion by Councilmember Arredondo to approve Item #22 as stated. Second by Councilmember Navarro.

Mayor Hallman explained that he will vote “no” because in the time of need, this money could be spent on current immediate needs of the community and having that money instead pinned down into the Tempe Community Foundation does not serve the dire needs expressed at the Issue Review Session.

Motion passed 4-1, with Mayor Hallman voting “no”, Vice Mayor Ellis abstaining and Councilmember Shekerjian absent.

Held a public hearing and **approved an appeal** of the December 13, 2005, Planning and Zoning Commission approval of a use permit for U-HAUL CENTER to operate a self-storage facility in the CSS Commercial Service and Shopping District at 2340 E. Apache Boulevard.

COMMENTS: Appeal by the Apache Boulevard Planning Area Committee (APAC) (PL050101/UPA08004) of the December 13, 2005, Planning and Zoning Commission decision to grant U-HAUL CENTER (CC050088) (Republic Western, property owner / Amerco Real Estate, applicant) **#SIP-2005.108** a use permit as follows:

Use Permit:

1. To allow a self-storage facility consisting of 28,657 s.f. in the CSS, Commercial Service and Shopping District, within the Transportation Overlay District Station Area, located at 2340 East Apache Boulevard.

Mayor Hallman explained that this item is referred back to Council by the Maricopa County Superior Court. In

that context, Maricopa County Superior Court has given Council direction that Council can only take input from the two parties, those representing APAC and those representing U-Haul. He asked if a representative from APAC would like to make a presentation.

APPLICANT PRESENTATION

Phil Amorosi, Chairman of APAC, Tempe. He noted that a letter is included in the Council's packet. This letter was sent by APAC to the Planning and Zoning Commission recommending denial of the use. The plan was voted down five years ago, and again in October of 2005. A second letter was sent by APAC on December 12, 2005, but that letter was not included in the packet. That letter stated that from October 10th through the December 12, 2005, APAC meeting, U-Haul did not present any revisions based on APAC's recommendations. This is a special use permit and just because they own the land doesn't mean they can build whatever they want. The last plan was for 200 single-story sheds adjacent to a regional light rail station with no access to the neighborhood, no SEPTD standards, no aesthetics, and no pedestrian orientation. He urged Council to approve APAC's appeal.

There was no presentation by U-Haul.

Motion by Councilmember Mitchell to approve the appeal and deny the use permit in Item #24 . Second by Councilmember Arredondo. Motion passed on a roll call vote, 6-0, with Councilmember Shekerjian absent.

Held the **second public hearing** and approved **with conditions** a Historic Overlay District for TEMPE (HAYDEN) BUTTE, located at 222 East 5th Street.

COMMENTS: (PL080136) (City of Tempe, property owner; Joe Nucci, Historic Preservation Officer, applicant) for designation to the *Tempe Historic Property Register*, located at 222 East 5th Street in the GID, General Industrial District, the MU-4, Mixed-Use High Density District and in the Rio Salado & Transportation Overlay Districts. The request includes the following:

HPO08002 – (Ordinance No. 2008.31) Historic Overlay District located on approximately 35 acres.

The following conditions were also approved:

1. Designation on the Tempe Historic Property Register or on the National Register of Historic Places will not supersede the primary jurisdiction of the Parks & Recreation Board regarding management and use of the Tempe Butte Preserve.
2. The Historic Preservation Commission would not need to be consulted about routine maintenance of the paths, including resurfacing, or regarding improvements for accessibility.
3. The historic Preservation Commission and the Tempe Parks & Recreation Board will share information about any proposed expansions to the trail system.
4. The Historic Preservation Commission will not fence off any part of the preserve.

Mayor Hallman asked for this item to be removed so that the Chair of the Historic Preservation Commission could speak.

Bob Gasser, Chair of the Historic Preservation Commission, introduced Commissioners Kristie Melcher, Ann Patterson, Donna Marshak, and Elias Esquer, as well as Joe Nucci, Historic Preservation Officer for the City of Tempe, all of whom are supportive of this designation. He further introduced Tom Wright, practicing archeologist. Mr. Wright is also the staff archeologist for the Salt River Pima Maricopa Indian Community. He added that the SRPMIC is very supportive of this designation. The Parks and Recreation Board is also supportive. He had an interview with Channel 3 and also met with student representatives and a representative of the ASU Foundation. One of their only concerns was as to whether the "A" would be left alone and students would be allowed to continue to paint it. The "A" is considered one of the components and there is no problem involved. This will be Tempe's first archeological district and that is a major milestone.

Mayor Hallman added that this process started in 1999. Councilmember Mitchell and ex-Councilmember Carter were new on the Council when it finally came forward in 2000, and there was an effort to build a development up the slopes of the western side of the Butte. They cast their votes in trying to save the slopes of the butte, along with Mayor Hallman, Councilmember Arredondo and ex-Councilmember Cahill. It was not a popular stance to take. That development was stopped and it was followed by the Council, through a committee, creating the very first preserve ordinance, and the Butte was designated a preserve under that ordinance. This third step gives it a heightened level of protection and something to which Council has committed. It has taken almost nine years to complete, but the features on the Butte have been there for more than a thousand years. Finally, the Council negotiated, as part of the Centerpoint project condominiums, the obligation that the project take the radio equipment and antennae on top of the Butte and move them to the top of one of their buildings. He congratulated the Historic Preservation Commission and the community members who have long been pushing on this wheel to get to this solution. He asked the commissioners to pass along Council's thanks for the community support and to the SRPMIC for their help.

Motion by Councilmember Arredondo for approval of Item #67. Second by Councilmember Mitchell. Motion passed on a roll call vote, 6-0, with Councilmember Shekerjian absent.

6. PUBLIC APPEARANCES

SCHEDULED PUBLIC APPEARANCE

Mark Haefs, Tempe, re: road conditions at Hardy and the Canal, did not appear.

UNSCHEDULED PUBLIC APPEARANCE

Phil Amorosi, Tempe. The League of Arizona Cities and Towns is having their conference next week. There is a resolution put forth by the City of Sedona and the Town of Camp Verde that urges the State Legislature to adopt legislation establishing uniform property tax assessment methodology for deed-restricted housing created under affordable housing programs. It recognizes limited profits that owners of deed-restricted housing can realize. Since the City of Tempe has the Community Land Trust program, owners that have bought into that program don't receive 100% of the equity, yet the State currently taxes them at 100% of the property. NewTown was in contact with the County, and they did grant them a special assessment, but they also agreed that it would be best for the State Legislature to develop a special tax class for these people. He urged the City of Tempe to support that resolution.

David Swanson, Tempe, stated that it is important to recognize outstanding behavior on behalf of City employees. He went to the recycling center recently on the weekend and it was closed. There was a big sign that said "bees." He talked to Ray Hagen who was taping off the area so that no one would get stung. Mr. Hagen had been stung eleven times. Mr. Swanson thought it was outstanding that he took the time to secure the area. Mr. Hagen noted that he could have the beekeeper come out on the weekend to eradicate the bees, but it would cost the City more money to do that, so he decided to tape off the area since the facility was closed anyway and wait until Monday. He was happy to recognize Mr. Hagen for his good work.

7. CURRENT EVENTS/COUNCIL ANNOUNCEMENTS/FUTURE AGENDA ITEMS

- Councilmember Arredondo wished Arizona State University the very best in the coming season. He congratulated staff for including extended Orbit routes on game days. He added that Pam Goronkin would be leaving her position at the DTC, and he commended her for her hard work and for bringing

some meaningful dialogue to the Council. She will be missed.

- Councilmember Woods thanked those who serve on the boards and commissions for the City.
- Mayor Hallman requested a reconsideration of the Resolution and Development and Disposition Agreement with DMB regarding the Centerpoint project at the next Council meeting. This was passed at the July 22nd Council meeting. City Clerk Jan Hort agreed that the Mayor was asking for it correctly so it can be agendaized at an open meeting to be reconsidered. City Attorney Andrew Ching conferred. Mayor Hallman stated that he just wanted to make sure it was in the queue properly because he understood he had to ask for the rehearing at the next following meeting, and the action to approve the DDA had been taken at the last meeting. He wanted to verify that this is the protocol to have it placed for consideration for rehearing at the next meeting. City Attorney Andrew Ching read Rule #18 which stated that after the decision on any question, any councilmember who voted with the prevailing side may move for reconsideration of any action at the same or at the next succeeding meeting.
- Mayor Hallman further announced that the “Safety Awareness for Everyone” program has not received enough press. The Police Department has done some amazing work under the leadership of Police Chief Tom Ryff. The department has continued to move forward with reorganization and as a result, the crime rate is down about 11 percent. The crime rate at ASU has also fallen. The Police Department has allocated resources to deploy additional technology, and has gone forward with partnerships in the East Valley and elsewhere. The “Safety Awareness for Everyone” program is another way in which the Police Department has been reaching out to citizens to partner to keep the community safe. This is an umbrella campaign designed to roll out education and enforcement programs throughout the year. It focuses on the formation and deployment of youth alcohol squads to combat underage drinking, sexual assault prevention awareness, and traffic safety and enforcement efforts. He thanked the Police Department for working to create this program.

Meeting adjourned at 8:50 p.m.

I, Jan Hort, the duly-appointed City Clerk of the City of Tempe, Maricopa County, Arizona, do hereby certify the above to be the minutes of the Formal City Council meeting of August 14, 2008, by the Tempe City Council, Tempe, Arizona.

Hugh Hallman, Mayor

ATTEST:

Jan Hort, City Clerk

Dated this _____ day of _____, 2008.
